

Your Quarry night, made easy

Quarry Summer Series | Frequently asked questions

SEATING, FOOD & GETTING HERE

What does unreserved grass seating mean?

Your ticket gives you access to the grass seating area shown on your ticket. Individual spots within that area are not assigned. Bring a blanket, cushions or a low concert/beach chair to settle in.

High-back chairs, full-height deck chairs and seats wider than 52 cm are not permitted.

If your ticket is for **Row O**, fixed fold-down seating is provided, so you do not need to bring a chair. Blankets and cushions are still welcome.

A limited number of plastic chairs may be available from the ushers on request. These can only be used on the grass in **Row P**.

Can I bring food and alcohol?

Yes! Bring a picnic and your BYO drinks. A small esky is welcome. Spike-style wine holders are not permitted.

Food and beverages are also available from **Limestone Cafe** at the Quarry. [View the menu](#) or [pre-order food online](#). Please place pre-orders at least **48 hours before the show**.

Can I eat and drink during the performance?

Absolutely. The Quarry is a relaxed venue, so you can enjoy your picnic and drinks while the music plays.

Can I dance?

Absolutely - bring your dancing shoes! There is space to dance, with the dancefloor on the stage, off to the side. Get up close to the band, soak up the energy and dance the night away.

Where can I park?

There are 200 parking bays, with overflow parking nearby on Oceanic Drive. Rideshare is also an option. We recommend pre-booking your ride home for the end of the event.

COMFORT, ACCESSIBILITY & WEATHER

What should I bring?

Bring insect repellent and something warm to wear or a blanket. The Quarry is an outdoor venue and can get chilly after sunset. Dress casually and comfortably.

If you have grass seating, remember your blanket, cushions or permitted low concert/beach chair.

What should I leave at home?

The Quarry Amphitheatre is a **non-smoking venue**. Umbrellas and mosquito coils are not permitted. Please also leave high-back chairs, full-height deck chairs, seats wider than 52 cm and spike-style wine holders at home.

What accessibility facilities are available?

The venue has **seven ACROD parking bays** close to the entrance, along with wheelchair-accessible toilet facilities.

Please let us know about any specific access requirements when booking so we can assist. For help, email admin@coastalsunevents.com.

What happens if the weather is bad?

We will contact the booking holder by email as soon as a decision has been made about whether the performance can safely go ahead.

If you are attending with a group, please ensure the person who made the booking checks their email and shares any updates with everyone attending.
